Regular Farm Prices

Charged in addition to the farm rental

General Admission: \$10/guest

Fish Prices: \$13/ea for 10" fish,
+ \$1.50 for each additional inch

Eggs: \$5/half dozen, slightly discounted as
quantities rise

The following is included with every farm rental:

- Exclusive use of private tables and a BBQ
- Fishing rods and bait, with option to bring your own equipment
- Full access to all three ponds
- Music stage and equipment
- Two propane firepits
- Admission to petting zoo and complimentary feed
- Mini boat rental and yard games
- You can bring your own plates, cutlery etc. or rent a picnic kit for 8 people @ \$20

Additional Information

- You have the option to prepay for a certain number of fish and/or eggs for a discount and convenience for your guests. We would use an average fish length of 14" to calculate the cost.

Example: 50 guests, 50 fish , 50 eggs
= \$1490 regular farm prices
plus 10% discount for prepayment

Prepayment is totally optional, you can also host your group and have us charge guests directly for their fish and eggs.

- You can add a table and chair rental, at \$2.50/chair and \$5.00/8'table. This is recommended for groups larger than 20. Groups of less than 20 can comfortably use the existing picnic tables as seating.
- We offer direct trades of your full caught fish for one smoked filet. Half the meat, but it is hassle free, delicious and ready to eat. Notify us prior to your event if you'd like these thawed and ready to eat.

Additional Information

- Workers: full farm rental includes one hands-on worker, but we do recommend an additional helper or two depending on the size of your event. Each worker is \$45/hr. Every 20-25 guests would benefit from an additional worker, at 50 guests it is required for a smooth experience.
- If you are looking to book a larger event that requires more time on the farm, see our wedding prices below! *These prices do not include a hands-on worker, but they do include a venue manager as a point of contact.
